Commissioner for Patents

The reply filed on 9/13/07 is not fully responsive to the prior restriction requirement because of the following omission(s) or matter(s): while applicant has elected a Group (Group I) applicant has not identified a single unique species. For example, applicant has identified a c1-c10 alkoxy residue and a hydrocarbon residue with heteroatoms which do not uniquely identify a single species. Applicant is to elect a single species such that all the variable groups are uniquely defined (compare office action page 6). Applicant is to identify the claims readable on the elected species (compare office action page 6). Since the above-mentioned reply appears to be bona fide, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a). Any inquiry concerning this communication or earlier communications from the examiner should be directed to Ronald T. Niebauer whose telephone number is 571-270-3059. The examiner can normally be reached on Monday-Thursday, 7:30am-5:00pm, alt. Friday, EST.
